

# That Should Be Me

Michaela McKie Songwriter

Do you know how  
How hard this shit is?  
Being around  
Knowing all your business  
You promised me  
That this could be  
Only you and me  
For eternity  
Then you turn around  
Say your not ready  
Your so damaging

## CHORUS

**That should be me**  
**Holding you**  
**Loving you**  
**Putting all my trust in you**  
**That should be me**  
**Holding you down**  
**Through your ups and downs**  
**Being your peace when no ones around**

I left you a message  
I guess you didn't get it  
This the last time  
I hope I don't regret it  
I been sitting here stressing  
Dodging all my lesson  
I'm not trying to here shit now

## CHORUS

Feels like I'm sinking  
Just sitting here thinking  
Letting my thoughts take me deeper  
Wishing you saw me as a keeper  
You sold me dreams  
Gave the other girl the promises you gave to me  
Now I'm sitting here all in my feelings  
Knowing that should be me

## CHORUS

Runnin' round, runnin' round and around  
Runnin' round, runnin' round and around  
Runnin' round, runnin' round and around  
Runnin' round, runnin' round and around  
Runnin round, round and round  
I'm Runnin round, round and round  
Hm, hm  
Oh, that should be, that should be me  
Oh, that should be, that should be me  
Yeah, yeah  
Oh, that should be, that should be me  
That should be  
I said That should be me  
That should be me  
It's not fair
