

## OUTRO (Cloud 9)

Michaela McKie / Cornelius Smith II Songwriter

I'm on cloud nine  
But the cloud that your on  
I can't reach that high  
I wanna response  
But I can't get no reply  
The times we had  
Only replay in my mind  
I know I can't rewind time  
But trust, I've tried  
More than once  
More than once  
And more than twice  
Almost lost my shits  
Found myself crying  
Almost lost my shits  
Found myself crying  
I gotta throw the towel in  
This pain is over powering  
I forgot what love is  
What trust is  
All you gotta do is look up  
Cause all the sorrow in my heart  
It built the lack of trust  
The devil steady telling me to give up  
But I can't give up  
I swear I had enough, uh  
Man nobody feels the pain  
But can you the stand the rain  
Man that loving ain't the same  
But thats apart of the game  
But it's time to let you go  
But I still I gotta grow  
Man nobody really knows  
Praying this healing makes me whole  
Man nobody really knows  
That this pain is in my soul  
I want you to come back home  
I want you to come back home
