CHORUS

**I said that love lost, love lost
You said you want me but that love cost, love cost
Blame the shit that you did
You were the cause, were the cause
Gotta different ambition, gotta be the boss, be the boss**

Yeah you got my vote
Yeah I know, yeah I know you loving my flow
Got my shooters on go
Know that we stopping the show
So gone head tell all your hoes
Know that my girls
Yeah we all know that we bad
I know that we making them mad, mad
Got one he rolling the gas
The other one doing the dash dash
You lucky I aint petty like them other ones
You made it too easy, made it to easy
You thought you were, you were the one
You got me fucked up, I aint no Dani Leigh
Out my face, keep it pushing
I see your friends, they lookin
If he aint wit it
I'ma Keep it cruising
That's too bad, you loosing

CHORUS

**Said you want me but that love lost, lost lost
Two fingers in the air, if you been crossed, if you been crossed
Done with these nigga yeah they all dogs, yeah they all frauds
They try and get your hopes up
But they fall off, but they fall off
Gahdamn!**

Ten toes down I'm about to get it,
Chasing this cash, want my chicken
Don't really see how you fit in
Yeah, I got expensive interest
You frozen the picture like Pinterest
Oh you bought food
Im still unimpressed
Oh you bought me some shoes
Im still unimpressed
Oh You ask me 'bout jewels
You aint bought that
Your mama ain't warn you about
A loyal one, with a mouth
Done broke your ass right down
All the shit i done when I made you proud

Bridge

Oh, oh
esquivado una bala
Todos están mal
Oh, oh
El reloj está hecho
Momento final
Señora, señora, señora jefa
Señora, señora, señora jefa
Señora, señora, señora jefa
Señora, señora, señora señora
Dije que el amor perdido, lo perdido
You want me to stay
I gotta leave though, I gotta leave though
Esta tiempo fuiste loco, el loco
Being with you
Was just for promo, promo
Aye!
