

# Mamacita

Michaela Mckie Songwriter

What I'm spose to "say"  
Got me feeling feeling a type of way boy  
This feeling not gone change  
I'm just trying to stay in my lane  
I know you feeling me  
Trust me I been noticing,  
But don't be mad uh  
I'm just not ready  
This situation I got going on  
Is a short story that was so long  
I'm gone be real I'm not gone lie  
You the, one that really just caught my eye, yeah  
Down low is where it's supposed to stay  
Cause their opinions just get in the way  
Let's not make it complicated  
No, this ain't up for debating  
Say the word and I'm your lady  
This rush it ain't no replacing  
The timing is wrong why have you waited  
It took you so long, where you been at lately  
What was I supposed to do?  
You thought that I'd just be waiting on you?  
Yeah, yeah

## CHORUS

**He loves it when he calls me mamacita  
He can't enough every time we link up  
He loves it when he calls me mamacita  
I can't help but Catch that fever  
I love it when he calls me mamacita  
Turn me up  
Lets blow the speakers  
Telling my girls  
It was nice to see ya  
Now let's go live viva la vida**

If you come correct  
Straight and direct  
We can do something  
We can try to connect  
Everything was right  
But its time to go left  
know I keep it tight  
I have that effect

## BRIDGE

No tenemos todo el día,  
tiempo para tomar control trola  
Mamacita está listo  
Uh huh, uh huh, uh huh, uh  
No tenemos todo el día  
tiempo para tomar control trola  
Mamacita está listo  
Uh huh, uh huh, uh huh, uh
