CHORUS

I know you right away
Call me, I'm on the way
Ill be your wife today
Ill be here everyday
Traveling miles away
Just to see you face
And to be in your space
This love ain't going away
I know you right away
You looking right today
Ill call you bae today
Ill be your wife today
Traveling miles away
Just to see you face
And to be in your space
This love ain't going away
You say the you love love love love love love
But you tryna act so tough tough tough tough tough tough
You know that i'm your favorite drug drug drug drug drug drug
I know you can't Get enough nough nough nough nough nough

You know that i'm the realist uh
Only you know how to kill it yeah
You know I peeped your feelings
It's your vibe and your spirit
I know you came in not knowing
Your feelings came without a hint
First time I came and flew in
You were all I need in this life of sin
Oh yeah
It was your actions and reactions
Oh yeah
I need your loving, no distractions
Oh yeah
I know it's something, fatal attraction
You keep me focused, satisfaction

CHORUS

BRIDGE

You sitting across the room
You see me
I see you
Both of us know wassup
Just waiting on you to get up
I peeped you when you walked in
You was Looking all good and shit
Our vibe was so authentic
Unmatched and genuine
We don't have to explain it
Because we understand
You call me with your problem,
I'm always listening
Because you showed you lovin
Through your actions
Oh oh oh
Oh oh oh oh
Oh oh oh oh oh yeah
